Re:

Collective action Facebook

Dear Board Members,

I am sending you this letter in English for the benefit of the Foundation's foreign board members.

Consumentenbond refers to its multiple discussions with Data Privacy Stichting (the "**Foundation**") and its advisors and the exclusive cooperation agreement between Consumentenbond and the Foundation regarding the collective action against Facebook.

I hereby confirm that Consumentenbond fully supports and endorses the Foundation in seeking appropriate redress - in or out of court - vis-à-vis Facebook Inc., Facebook Ireland Ltd, Facebook Netherlands BV and/or any other relevant Facebook entity, for Netherlands-based current or former Facebook users who in the relevant period were affected by data privacy rule infractions by one or more of the aforementioned Facebook entities, including those infractions described in the writ of summons dated 30 December 2019 (with which Consumentenbond is familiar).

For the avoidance of doubt: the Foundation is authorized to refer to this letter in court and may submit this letter as an exhibit.

Please do not hesitate to contact me or any of my colleagues if you have any queries.

Yours sincerely
Consumentenbond

Sandra Molenaar
managing director
